

Hello Dragon Boat Racing Fans,

We are only 50 days away from the 2024 Kentucky Dragon Boat Festival, Paddling for the Pink. Teams are still registering and plans are well on their way for this year's festival.

Besides getting ready for this year's festival, the Kentucky Thorough-Breasts Breast Cancer Survivor and Women's Dragon Boat Teams travelled to Vancouver, British Columbia, Canada for the 1st time to compete in the Concord Pacific Dragon Boat Festival. They were hosted by the one and only original Breast Cancer Survivor Dragon Boat Team, Abreast in a Boat, and had a taste of where BCS Dragon Boating got its start in 1996. Abreast in a Boat's story is the subject of a new 15-minute documentary called "Power of the Paddle". If you've been thinking about it but haven't yet committed, there's still time. Please use the link below to register your team.

Complementary Practice times are still available. We do recommend each team book a team practice. Your team will learn important calls/commands and safety procedures as well as get the feel of being on the water and some practice races.
